

Delaware Municipal Web Developers Group

MEETING SUMMARY

May 12, 2014

Paradee Center

69 Transportation Circle

Dover, Delaware

12:30 p.m. to 3:00 p.m.

AGENDA

1. Attendees

Nicole Armour (Wyoming), **Kate Layton** (Dover/Kent MPO), **Heidi Wagner** (Lewes BPW), **Suzanne Powell** (Lewes BPW), **Kelly Blanchies** (Harrington), **Jennifer Coulbourne** (Smyrna), **Debbie Morris** (Sussex County), **Mike Mahaffie** (GIC), **Matt Campbell** (GIC), **Ben Kaminiski** (GIC), **Julianne Musante** (GIC)

2. Presentation of the new Delaware.gov website

Matt Campbell of the GIC presented the new Delaware.gov website. He presented the new features and design elements (i.e: responsive design, geo-location, retina-display images, find your legislature and much more.)

3. Presentation of the new responsive Town website template

Presented by Ben Kaminski and Julianne Musante of the GIC.

The new responsive Town of Bowers website was presented. Ben spoke about what the future holds for town websites. All towns will eventually be converted into the responsive template and each town will be trained before their new responsive site is launched. It was recommended that towns start to compile a list of items they want to keep or get rid of on their new site.

4. Roundtable/discussion

There was some discussion pertaining to the pros and cons social media and towns.
