# QR Codes

Those funny square graphics (QR codes) take you to a smartphone-friendly presentation of the information.

The image shows a smartphone browser interface. At the top, there are icons for mail, a refresh button, a 'P' icon, signal strength, 3G network, battery, and the time 9:43 AM. The address bar shows a URL starting with 'http://de.gov/contact/?c...'. Below the address bar, the page content is displayed in a clean, sans-serif font. The main heading is 'State Bank Commissioner' in a large, bold font, followed by 'State of Delaware' in a slightly smaller bold font. Below this, contact information is listed: '302-739-4235 - office' and '302-739-3609 - fax'. A blue underlined link points to 'http://banking.delaware.gov/'. A section titled 'Location' follows, with the address '555 East Loockerman Street Suite 210, Dover, DE 19901'. A small blue square icon with a white question mark is positioned above a blue underlined link that says 'Open in Google Maps'. At the bottom, there is a bolded text prompt: 'Download the State Bank Commissioner vCard Now'.
